

NEXT GENERATION SPORTS RECOVERY

Plant Powered Cryotherapy
360° Spray Technology

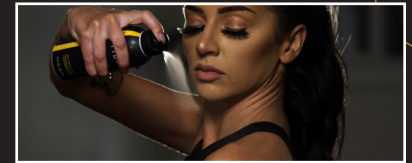

// FOR THOSE WHO RISE //

Plant-Powered Cryotherapy

The revolutionary TIDL topical spray delivers powerful relief through cryo-therapy and novel plant science. Unique delivery technology allows for easy, full body application and leaves athletes feeling refreshed and ready for the next session.

Rapid-Relief

Cryo-effect formula delivers a cool blast of relief on contact that absorbs into the muscle for full recovery.

Natural Relief

A powerful blend of plant based ingredients that addresses inflammation directly at the source, reviving the muscles and joints.

Clean & Cool

Enhanced touch-free formula goes on cool and self-absorbs. No rub with no sticky residue.

Target Treatment

360° spray technology for effortless full-body application at any angle.
