- Tillotson is pleased to introduce the new Maxxis T4 tire for T4 Junior and T4 Senior categories.
- These tires will be distributed for Practice and Race purposes based on the registered Ticket Options.
- For further details regarding this new tire, kindly refer to our recent Press Release linked [HERE](#).

NEW DWT WHEELS FOR T4 JUNIOR & T4 SENIOR CATEGORIES

- Tillotson has established a partnership with Douglas Wheel Technology (DWT) to introduce a unique, custom magnesium T4 wheel exclusively for T4 Junior and T4 Senior categories.
- Participants registered under "Ticket Option 1" will be provided with a set of DWT T4 wheels as part of their rental kart package.

SCRUITNY - TECHNICAL CONTROL - MATERIAL SEALING

- Every driver must undergo scrutiny and technical inspection, with authorization for the use of only one kart chassis and one engine throughout the event.
- Every driver must have their kart chassis and engine sealed with distinctive, scannable event seals during the technical control procedure.
- Participants who have registered under "Ticket Option 2" and are equipped with their T4 Kart package are required to complete scrutiny and technical control by 18:00 on Wednesday 4th. Without the event seals on both the kart chassis and engine, these drivers will not be allowed to partake in Thursday's practice session.
- Should any damage or technical complications arise, the substitution of a kart chassis or engine is permissible solely after receiving approval from Tillotson and the subsequent resealing by Technical Control officials.
- The verification of all seals will occur at the Parc Ferme entry gate from Session 1 on Thursday 5th. Access to drivers will solely be granted upon the system's approval of the barcode scan.

OFFICIAL STICKER KITS - PERMITTED DRIVER STICKERS

- The T4 Nations Cup is made possible through the generous support of numerous T4 Series global partners. These sponsorships entail the acknowledgment of partners at the event by ensuring their logos are prominently displayed on T4 Kart sticker kits.
- Kart sticker kits will be treated as controlled items at the event. Any absence of bodywork stickers, use of additional stickers, unauthorised overlays, or incorrect placement will result in a disqualification from the event.
- Tillotson will publish comprehensive regulations regarding kart sticker kits on our website before the event. We kindly request participants not to bring sticker overlays that could compromise their eligibility to compete.
- Drivers who have registered under "Ticket Option 2" with their own T4 Kart package will be given a new kart sticker kit at the event..
